

## Disability Advocacy in Relation to Incident Support

In the event you, as a NDIS supported person, along with Music Rocks Australia as a NDIS registered provider, in the case of an incident or any issue you may have it is important that we provide you with details for who to contact externally in the case that you would like advice or help. Obviously, we are here to help too and to find an advocate that may be helpful the Disability Advocate Finder will be useful at the following URL:
